September 6, 2017 - New Media Legal Publishing today launched an on-line continuing legal education (“CLE”) website, NewMediaNow!, featuring its full catalog of premium CLE courses, including all courses in its popular “Stand-Up CLE,” “Negotiation Ethics for Lawyers” and “Hack My MBA for Lawyers” series. The website is easy to use and accessible on multiple platforms, including video-enabled mobile devices – enabling lawyers to complete CLE courses at work, home, or on the go.

By accessing NewMediaNow!, lawyers for the first time can view all of New Media Legal Publishing’s approximately 75 CLE programs either by purchasing access a la carte or by subscribing to the service. Courses purchased a la carte start at just \$99 per course and annual “all-you-can-eat” subscriptions are available for \$299 per year. The courses on NewMediaNow! satisfy not only general CLE credit requirements but also the hard-to-get specialty credit areas of elimination of bias, legal ethics and the detection and prevention of substance abuse. Most courses qualify for CLE credit in Arizona, California, Connecticut, Illinois, New Jersey, New York, Pennsylvania and the United Kingdom.

“We’re excited to be able to make our full catalog of CLE programs, which include some of the best and most popular courses ever produced, available directly to lawyers looking for premium CLE courses at affordable prices,” said Zachary S. McGee, Chairman of New Media Legal Publishing.
