July 2, 2020 - New Media Legal Publishing will exhibit at ACLEA's 56th Annual Meeting – the first such meeting to be held “virtually” due to the COVID-19 pandemic – on July 24, 27 and 28, 2020. At the ACLEA 56th Annual Meeting, participants will have the opportunity to interact with hundreds of decision makers and influencers that represent a cross-section of the CLE community – from executive leadership, to content producers and managers of programming and publications, to marketing, technology, and operations professionals. ACLEA has more than 550 members from over 130 organizations: law firms and law departments; state, provincial, local, and specialty bar associations; national providers; law schools; and speakers and vendors.

At the ACLEA Annual Meeting, New Media Legal Publishing will highlight its ClientLink service, which allows law firms to share CLE content on-line, 24/7 with clients, prospective clients and alumni to serve the firm’s marketing and business development goals. New Media Legal Publishing will also provide information about its highly-successful on-line deposition preparation video programs – “Deposition Testimony: 5 Simple Rules” and “Deposition Testimony: 5 Simple Rules (Canadian Edition)” – as well as its innovative CLE platform, NewMediaNow! We hope you can join us at the event!
